GRANDPARENT'S DAY!

American Education Week Family Night at  on Tuesday, November 17th

While our teachers may have special events planned on the visitation dates, parents are welcome at other times if their schedules do not match. Each morning our PTA will have refreshments in the lobby for our parents visiting during American Education Week. Let your children and their teachers know that you support our school by visiting, even if only for a brief time. We are looking forward to seeing you.
